

The Conference Main topics

The conference will include keynotes and parallel sessions covering a variety of applications and technologies in the geospatial industry. Presentations and papers of the following topics are encouraged but not limited to:

- Geospatial Science Theories and Concepts
- Geospatial technology.
- Military Applications
- National Mapping Initiatives
- Remote Sensing Applications, Hyper spectral Sensing, Geo-information, Geophysics
- Earth Observation Systems, Natural Resources Management Environmental Monitoring and Protection, Risk Assessment and Disaster Management
- Cultural Heritage, Archaeology.
- Land use and land cover, land-cover changes degradation and desertification
- Land survey, Real Estate, Mapping of buildings/land for taxation
- Water resources management, Hydrology, Hydraulics using Geospatial data.
- 3D Remote Sensing, Radar, LIDAR, Thermal Remote Sensing
- UAV Applications, Integrated UAV systems
- Smart City Modeling, Urban remote sensing and Transport Planning
- Big Spatial Data: Analysis and Visualization Data Mining and Knowledge Discovery.
- Location Based Services and Mobile GI Applications
- Way Finding, Routing and Indoor Navigation
- Spatial Data Infrastructures: Geospatial Workflows Data and Service Sharing

General Information about the Conference	
1. Date and Venue	<ul style="list-style-type: none"> • Venue: The Royal Jordanian Geographic Centre, Amman, Jordan. Amman in one of the hotels (Will be defined later). • Date: Aug. 22-24, 2017
2. Participation fees	<ul style="list-style-type: none"> • Registration fees: \$300 is paid to cover expenses of printed materials, conference bags, coffee breaks and lunch throughout the Conference. • Transport tickets and hotel accommodation are covered by the participants.
3. Lectures and Research Papers	<ul style="list-style-type: none"> • The deadline for paper submission on the various themes of the Conference is the 20th of June 2017. • Participants may submit worksheets as reports on the activities of their countries in the domains of Geospatial Technologies.
4. Accommodation	<ul style="list-style-type: none"> • Participants should cover their own hotel accommodation. * The organizing committee shall provide an offer of some recommended hotels.
5. Local transport	<ul style="list-style-type: none"> • The organizing committee offers transport of Participants between the Queen Alia International Airport and hotels *The flight information should be sent before arrival to Amman by filling the attached form. * Participants who need a Jordanian visa will be offered official letters in this regard as requested.
6. Dress code	<ul style="list-style-type: none"> • Inauguration and Conference sessions: official dress code.
7. Medical care	<ul style="list-style-type: none"> • It should be the participants' responsibility
8. Weather	<ul style="list-style-type: none"> • In August, weather in Amman is usually warm.
9. Currency	<ul style="list-style-type: none"> • The official currency unit in Jordan is the Jordanian Dinar (JD): 1 JD = \$1.4 • Hotels, restaurants and shopping malls use Jordanian dinars. • Exchange points are available in airports, banks, hotels and exchange offices.
10. Language	<ul style="list-style-type: none"> • English is the official language of the Conference. Simultaneous interpretation is not available.
11. Leisure activities	<ul style="list-style-type: none"> • There will be an optional touristic trip to Petra or the Dead Sea, which would cost \$100 per participant, including transportation, lunch and entry fees.

Scientific papers

1. The complete paper:

- The scientific paper must be sent in Microsoft Word (doc) & MS Power point format.
- Margins: 20 mm from all sides.

2. Abstract:

- Paper size: A4
- Microsoft Word (doc) format (300-400 words).
- Font: TIMES NEW ROMAN.
- Font size: 12 for the main text, 20 for headings.
- The abstract must include:
 - Name and title.
 - The organization and the Occupation.
 - The address: website, email, fax, Tel. and mobile.
